Notice-and-Access

You are receiving this notification because Skeena Resources Limited. (the “Company”) has decided to use the Notice and Access model for the delivery of meeting materials to its Shareholders of Common Shares (“Shareholders”) in respect of its Annual Meeting. Under Notice and Access provisions, instead of receiving paper copies of the Company’s Notice of Annual Meeting and Management Circular (together, the “Circular”) shareholders are receiving this Notice and Access Notification with information on how to access the Circular electronically. Digital copies of the Circular will be posted online, together with a copy of this notification. Shareholders are also receiving a paper copy of the Form of Proxy or Voting Instruction Form, as applicable, enabling them to vote by proxy in advance of the Annual Meeting. This method of delivery is an environmentally responsible, cost-effective way to deliver materials to the Company’s shareholders.
